Below response from Jilla in Terje's office...I believe she means the appt is "NOT so important" so she can cancel it...would you like me to ask her to please change Terje's agenda and ticket?

Good morning [REDACTED]
He does have one appointment which is so important I can cancel it but he needs to be in NY no later than the second of December. Please let me know as I need to put it in his agenda and make change to his ticket.
Best,
Jilla
