A few things...today at our strategy review Bill said some nice things about our urban work (my work). That was unusual for him and very nice.

He also said that I should help the world bank help us (foundation) since urban was very important and that the foundation couldn't prioritize it because it is too distrcting from health & development. And too hard.

And the second thing...is my interview date! Will you be in DC that day? Come and give me a pep talk. YAY I am so excited.
