Dear Jeffrey,

I hope you are fine, I have often news from our common friend.

I would like to ask you something for my daughter [REDACTED] (22 years at the end of november)

She studied last year law at Bold Law School in Berkeley where she spent 1 year as an exchange student.

This year she studies in Munic (LLM international business law) and she is actually in

Washington where she is doing an internship at the German Embassy until december.

She became aware that she would like to work in the States and is dreaming about the law school of Harvard.

What would you recommend as the best way to succeed in her application?

My daughter is smart, she was the best student In Assas for her bachelor in law in Assas

University which is the best university for law in France.

Thank you

Best greetings

Rasseck Bourgi
