I realize you are stressed. Palm beach . needs to be a rest for you. you cry over the number of chairs. or cry again over the fact that i didn't like what side tables you chose. You have been so great. I don't want you to be unhappy, AS a traveling asst , it is perfect. . Tell me what you want to take responsibility for. , I thought the decorating was going to be fun for you, you had said it is what you enjoy. I need to see images of rooms with furn in it..the room is a whole. . Are there just too many things for you to do.? . You get to decide.
