get the vaccine,, no risk ,,
your life is much better than it was.. re your body.. lets talk about it face to face

Hi..I'm in NY..I worked for VS pink catalog on monday...also I finally went to gynecologist yesterday..cuz I still haven't got my period..so far nothing is wrong w me I just gotta wait for my blood tests tmrw and then I'm gonna take some pills for 5 days so my period will start..also she suggested me to get vacine for HPV..I'm a bit skeptical about it and wanted to know your opinion of course!!!other then that all is good..I'm just sometimes down about my body still..you know that I'm impatient and very critical..so it still makes me depressed..

What about you?
