I still have warm feeling towards you. I accept you the way you are. The lack of giving on your part is nothing new, It is difficult for me to watch you not succeed . If I followed your philosophy, I would simply watch and not try to help..) everything happens for a reason argument. numerous times over the years , you would acknowledge that your actions would change, you had a realization, would take time to plan the changes. committed to both of us, that this would be the last time you would find yourself in extremis. the actions stay the same , so does the inevitable outcome
