As a former math teacher, I thought you might find this interesting.

Subject:Chinese numerology:

Chinese numerology and Feng Shui for 2011 This year we are going to experience four unusual dates: 1/1/11, 1/11/11, 11/1/11, 11/11/11, and that's not all; Take the last two digits of the year you were born and the age you will be this year and the result will add up to 111 for everyone!!!! This is the year of MONEY. Also, this year, October will have 5 Sundays, 5 Mondays & 5 Saturdays. This happens only once every 823 years. These particular years are known as Moneybag years. The proverb goes that if you send this to eight good friends, money will appear in the next four days, as is explained in the Chinese feng shui. Those who don't continue the chain, won't receive. It's a mystery, but it's worth a try. Good luck to you. This only happens once in 800 years
