could you please help [REDACTED], at least ask if you can be of help....

Ted, I would cherish a dialogue, not a negotiation... I realize that you are attempting to be generous and do the right thing, ught a Any money transferred should be done as tax efficient as pisinlesossible.. That makes sense for the both of us. I am trying to find a solution that helps us through a difficult transittion, and enables you to feel good about what you are doing and enables me to move forward under new circumstances.. IF you were to transfer the ten million dollalrs to me in a tax efficient way, and in addition provide the same level of you to support for the next five years. that might be a workable solution... I am doing my best through what is a devastating sircumstance. I want feel good about what you are doing, and i want to feel secure about my future,, I love you and will do my best to make this painles
