Jeffrey

I am sending you Michel Hazanavicius's email address ([REDACTED]). He

has seen Woody's three hour documentary and loves it and loves him. He lives in France

and is a very low key, Jewish guy.

I would be happy to call him and set up a dinner or to introduce you to him and Bernice

Belo, his Argentinian wife. They are friends of mine after working on the campaign for

THE ARTIST. Woody has seen THE ARTIST and likes it.

xoxo,

Peggy
