steve and i have been invited to meet the president and are considering a one day PERSONAL (no grants, no BMGF) visit to PortAuPrince.
squalor for sure but the president is hilarious. a realist.
it is unstable for sure but with all crazy banking stuff it just might be a safe place to park money.

steve and i (if we do it) will do this very quietly, leave from NYC, sometime in October. one night in portauprince.
