Glenn – Fortress' attorney says that Zwiern and Fortress have not reached agreement on the indemnification issue and if they do not resolve it this week then they will go to arbitration (they both have dates with the arbitrator to keep this moving).

What this means to you and JE: two parties to the agreement are not going to sign until this issue is resolved so you and JE cannot sign until they resolve. Considering our experience with Zwiern, it is highly likely he will continue to disagree until arbitration commences.

Noah and/or I can call Fortress' counsel – highly likely that he is going to repeat that they just want to be done too, but Zwiern is unreasonable.
