Subject: Fwd: Island Visit

Jeffrey ,
It's what I recieved from the bank .
I hope that will be fine for you .
Let me know as soon as possible
Regards
RS

Dear Steve,

Further to our telephone conversation, the helicopter flight time from Athens can take between 55mins and 1h20 depending on the helicopter model.

However, it is possible to reduce the helicopter flight time, if the visitors land at the local airport of AKTION in Preveza. Flight time from there to the island will be about 10-15 mins.

I trust that this is an acceptable solution.
