Hello Jeffrey.

I jist heard back from them.

They are finally leaving tomorrow night washington dc for abidjan due to a meeting with a world bank delegation in abodjan in tuesday.

I'm really sorry for the inconvenience caused!

I am talking to my uncle later tonight and I'll let him know what happened exactly and what the minister missed by trying to be too arrogant.

I initially wanted to wait until i arrived in abidjan but this reflects poorly on my uncle and I have to let him know now.

Thank you very much and I am truly sorry about what happened! This is very unprofessional!

I'll let you know what he says when I'm done with him.

Thank you Jeffrey.

Hello Jeffrey,

I am sending an email to my uncle now.

I want to update him; is your friend the one from Apollo global management that you initially wanted to introduce?

Thank you
