I spoke to [REDACTED], she gave me her dates (28th -4th) and her and girl friends details for booking the trip. She said they dont need anything luxurious just something simple but would like to be in Miami Beach. She said she really wants to spend the time there relaxing and on the beach. I have found (among others) deals for the following in Miami Beach:

Claridge Hotel:

<http://www.claridgemiamibeach.com/>

With this one I can get them **direct flights** and double room for **\$ 650.00 per person**

It is located on Collins Avenue which looks to be a block away from the beach.

Con is that there is no swimming pool

Hotel Breakwater

With **only one leg direct flight** (other leg has connection) and double room will be **\$850.00 per person**

<http://www.breakwatersouthbeach.com/>

Located on Ocean Drive

Also no swimming pool at the moment.
