Subject: Fwd: Gulfstream IVSP - Price Reduced by \$1,000,000

Hi Larry

Attached is latest change in GIV/SP market. 1.0M price reduction on SN 1305.
If buy at 12.0 it's about same value as SN 1381 at 12.0.
Higher time but better pedigree and enrolled on Corp Care.
At less than 12.0 it's even a better deal and don't think that 1381 will go any lower than 12.0 if we can even get there.

Messinger is begging for any offer!

Best,

Don Bass
