Slaughter and May docs are just awaiting Solina Chau's comments

They are coming over today.

All being well they can issue the docs on Monday. We have purchase docs from Jawbone, not yet Wonga (early Jan) and Spotify (mid Jan).

Are you still here tomorrow morning? We can discuss separate to Tom how to fast-track this thing now – and Jacob can join us.

Also following separate discussions with Tom P and Michael, I've broken down the agenda for you into distinct phases so you will be more comfortable. We can discuss either tonight with Tom or separately – whichever you prefer.

Yes!

I wrote to you and Tom confirming it.

Will let you know re: Jacob.

We should probably have at least part of the time with just you, me and Tom.

Let's speak tomorrow AM. Just arrived in San Francisco after a fascinating few days in Stockholm, St. Petersburg and Berlin.
