Subject: GIV Sean

Jeffrey,
spoke in great length to Sean regarding GIV,. all positive, he feels the GIV market, even the old models will hold or even gain value at these current prices, and especially a 3500 total time aircraft like this one,. If we get to an approved price, I would like to use Sean during the prebuy process, if you agree?
Sean agrees that a GIV would fit our operational needs as well as a 10M - 11M GIVSP, for less investment cost.
Sean knows Ken Hart from Welch Aviation, and says he's a good guy, as brokers go,.
Sean and I will further review the status of CMP run, (Computer Maintenance Program)
Sean's cell: [REDACTED]

thx,
Larry
