She still hasn't given it to me. She emailed me the last week of June, asking if she should include shipping costs, and I told her, to just send the invoice for her plant material, she said she would, but ai haven't recieved it yet.???

Good Afternoon,

According to the requests for LSJ Landscaping made during your last visit,

I have measured the areas of concern and determined the needed plant counts.

For Clarity, those areas are:

- Owners road
(yellow allamandra plants)
- Owners Sugar Mill Walls
(Yellow amandavilla vines)
- Courtyard main entrance
(orange heliconia)

- Courtyard Flower Pots
(Red Amandavilla vines)
- Library Western terrace
(Yellow Amandavilla)

I have forwarded my plant counts to the nurseries in Puerto Rico, and have not recieved an invoice as yet, I was told that they do have what I need in stock, they only need to calculate our discount, and send me the invoice.

I called today to see what is the hold up, and apparently there was an accident on the farm with some serious injuries, and that has taken alot of attention from other maters.

However the sales manager assured me that, I will get my invoice by 5pm today or first thing tomorrow morning.

As soon as I do I will forward it for your review and approval.

This will also include the invoice for the Palms:

Coconuts

- 20 for Northeastern Road to Library
- 2 Large for Main Pool
- 30 for Eastern Beach #2
- 14 Bottle Palms for western Pool

Thank You,

Igala Joseph
