Thanks. I will email him - but can you either reply to him to say who I am/ or can I copy you and reference his email to you. Wow, he really believes in democracy and accountability? I am amazed that you still deal with him. It must be all those years at the UN that conditions people this way. Your grand tour with Woody seems not to stop, d'Orsay, Louvre, what next? You want to do the Elysee with Sarko?

Look forward to seeing you in Paris next week. Yes, I will be on the hunt tonight in Saigon.
