To: [REDACTED] **Subject:** Jeffrey E Hi [REDACTED] I wonder if you will remember me. I am a long ago friend of Jeffrey. I know that he is in a very uncomfortable place right now. I want to send a gift to him. I am sure he will love it and it will help him while he is inside. Can you kindly ask him if it is OK for you to give me his address? I am sure with some digging I can find it but you will certainly save me some time and headache. Thanks so much, [REDACTED]
