Jes,

Thanks for your mail!

I had a very interesting and enjoyable lunch with Emilio.

The discussion made it clearer where the issues seem to be and what may need to be addressed to build a strong China angle for Morgan.

I would of course be delighted to meet you to discuss this further. Once the right platform is established I am quite sure Morgan can - and should - become the leader of the international banks dealing with China related deals.

All the best from Beijing
David
