Subject: hello and update from me.

Dear Jeffrey,

I hope you are well. I hope you don't mind my giving you an update on my situation:

I am staying at my mother's with my baby and hope to move back into my apartment or into a rented one asap.

I plan to work out separation terms with [REDACTED] as soon as possible this month. Something that is reasonable to him and supports the baby. I can't believe that I allowed myself to get entangled with him. I just can't believe it. But I have such beautiful, exhuberant child.

I need, and want to get back to work. I could go back into the film business but what I would really love to do is to go to work for you. I am truly hard working. Is there anyway that I might meet with you? Or at least get your advice? It would mean so much to me.

Thank you again for your efforts regarding an apartment. I truly appreciated it. I'm so sorry that my mind keeps coming back to you. No worry if you cannot meet. I know that you are going through a lot yourself.

fondly, [REDACTED]
