Morning [REDACTED] ! How are you? I hope you had the nice weekend , i called to Mount Sinai's international Personnel this morning , and I explained that I'm F1 student who want to volunteer and she said they not permit to work to F1 student unless if it is part of my major then I said well I'm not a college student yet but planning to study for a nurse and she she said I have to study there now if I want to volunteer :(I wasn't thinking it's would be so hard to become a volunteer to help ppl , do you think is there any another option to be a volunteer that I could go for ? Or may be I should speak again with the director of volunteer services ?

That would be perfectly fine. I will be there at 2:00, so if you want to come at 2:00 it might be easier or you can come at 1:30 and start without me and I will see you at 2:00. Whatever you prefer.
