Jeffrey,

I will get you an updated schedule for progress deliverables.

You left me a voice message with some additional pool comments. Do these apply to the Main Residence Pool, or the Flagpole Pool, or both:

- Raise elevation of pool above the ground, so it is up 6" to 1', so you can sit on the edge of the pool. We typically need 4'-5' of deck around the pool. We can raise the deck at the Flagpole Pool, so you can sit on the edge, facing away. I am not sure if you wanted this at the Main Residence pool, but since the pool is enclosed, I am not sure that it makes sense.
- Continuous gutter coping. Is that your preference?
- Lights over deck only for access. (Ok for Main Residence. Would not apply to Flagpole pool.)

Thanks,

Warwick
