Subject: Fwd: Photos are ready

Would you like them to send the photos in a You Send It link?

Begin forwarded message:

Hi Jeffrey and [REDACTED],

Your photos are ready and I wanted to check with you how you would like them delivered. Normally we send a You Send It link that you can download all files from, however if you would prefer we could put them on a disk. Let me know and we will get them to you asap.

Best,
Zyanna
