Title: Thank You!

The Gotham Awards was last night and the room looked spectacular thanks to you and your donation for 820 ballroom chairs!

The event is always loaded with the hippest filmmakers. I networked the room all night as we all whispered about who really had a chance to win the Oscar....it looks like Harvey W. will win again in February with "The Artist"...although Scott Rudin is playing games and not showing his film by Steven Daldry, "Extremely Loud and Incredibly Close" about a boy's loss of his father in 911.

"War Horse" premiere is Sunday, Dec. 4th. Are you back? 6:00pm at Avery Fisher Hall...

Saw Austin. He says he is having lunch with you next week. He is very excited.

Saw Farkus...he said you have to sell your house?

Getting three years of tax returns any day.

Bryan said we made more in the last two months than we did all year. What does that mean. How do I see that in writing.
