Hello Jeffrey.

I know it is silly.

I briefly told him yesterday about your friend and i could tell he felt bad.
He is going to DC today for meetings and i don't think he was supposed to come back to NY but now he will for sure on monday if you can arrange the meeting.
I know it was just a stupid game that he was trying to play but can you please try to do it?
I still would report what happened.

He called me yesterday (i gave his assistant my number last week) and i told him "oh Jeffrey left but he wanted to introduce you to his friend who has 20 billion to invest that's the reason why i kept telling you that he wanted to meet".
i think it was already a torture for him.
Please please Jeffrey!!! Can you ask for a meeting on monday? I'm asking not for him but for my uncle.

Thank you.

Hello Jeffrey.
He just called me (loooool).
I told him about your friend and he said he is really interested in meeting him. He said he is leaving tomorrow around noon but he'll be happy to meet with him from 8 to 9 am (he has a doctor's appointment at 10).
Do you think your friend would be willing to meet with him?
Just to update you i had told my uncle after you left that you had suggested a meeting with him on feb 1st. I guess my uncle asked him about you (i think that because he told me that he sent a text to my uncle telling him that he was going to see me)

If it's short notice for tomorrow, he claims that he might come back
monday too.

Is it still possible to arrange something?

Thank ou Jeffrey
