Subject: LSJ items for sale

Jeffrey,

There is 1996 generator that has not been running for 8 years and we have two offers for our asking price of \$4,000

One is from Boscoe and he can pay the whole amount in one shot.

The other is from a man named Randy Drixle and he asked to pay \$1,000 per month for 4 months but would like to get the generator with the 1st payment.

Please advise

Thank you
