Hi, thank you for getting back. Do let me know about Jeffrey's Moscow plans for the end of October once they have been confirmed, so we can alert the Moscow University people ahead of time.

Regards,
EG

Hello Dr. Goldberg. I wanted to get back to you on Jeffrey's behalf. Thank you so very much with helping in coordination of a visit to the University and a contact person. Unfortunately, Jeffrey's plans have changed and he will no longer be going to Moscow on Sept. 26th. However, it is possible he goes Oct. 26th! So please, let them know we appreciate the offer now and hope we may be able to take them back up on it come end of Oct.

Hope you are well.

I have just heard from Moscow State University people and they will be happy to give you a tour of the university and have you meet a few people. Assuming you are still interested, your host will be a young neuropsychologist/neuroscientist Zara Melikyan. I know her only through email exchanges but she sounds intelligent and speaks good English. MSU has two campuses: the original old

one downtown facing the Kremlin and within a walking distance from your hotel, and the modern main one in a different part of town. If you have enough time, she will show you both. What is the best way of contacting you in Moscow?
