I don't know paul i need his background first. thanks id just let kirkland and ellis do it. otherwise, We accomplished very little this week, ghislaine's letter, stopped four articles that i know about and tomorrow's is very toned down,, we on the other hand just sat back and got pounded, separate from a three sentence released statement. I would like to talk to you over the weekend if you have time. With the huge time difference in london, should i hire a uk pr firm .
