Subject: Boston Wx Sunday travel is good

Jeffrey,

I have reviewed the satellite image, Hurricane will be off the Carolina coast on Sunday..

Miami to Boston on Sunday is fine. Hurricane center will hit south of New York Tuesday morning, according to projected path at this time, however this storm covers several hundred miles and New York may start feeling effects Monday morning.

Boston is forecasting wind at 10kts on Sunday, cloudy skies, airlines will most likely take the inland routes from Miami to Boston and avoid the Atlantic routes..

thx,

Larry
