Dear Mr. Jeffrey Epstein

It's only taken me three weeks to put together a 3,500 word, hopefully astute, analysis of this year's Cannes Film Festival.

The Huffington Post has just posted my report and I would be forever grateful if you could find the time to read it.

Believe me, it's a lot easier to read it, than to live it.

Enjoy the summer and I'll get back to you with a diary from the Venice Film Festival in August. Link below.

xoxo,

Peggy
