Subject: s76 possible buyer,.

George,
I spoke to Chuck Hallet at Helicopter exchange,. He is working a deal on our Bell 407, he told me there is a live buyer in South Africa who is interested in a S76C model currently, he really needs a C+ like ours (472) due to High and Hot operations,. please contact Chuck Bierwirth at Wentworth for info on buyer and see if there is a deal left,. tell him Chuck Hallet sent you,. I know you have history with Chuck, but he's helping me out in helping with a Buyer for our S76,.

Chuck
Here is my contact info. Please send info on the engine and PAP coverage.
