Interviewed 3 chefs. All flakes. This chef position is harder than finding a 3* chef. I have one tasting next Mon or Tues with a chef- I'll have Jen come once I lock the day down- have ads placed in 5 schools around the city- crazy how flaky that person is that wants to do private work- then the property mgr- few contacts working on this- but this position /a gm of a 5* property/ is also very hard. The 2 I have just phone interviewed with- where way to uptight to handle Jeff- but I'm out there pushing for both positions
Chef should come first-gm harder
Hope this helps

Hi Steve...just wanted you to know I am still awaiting an answer regarding a meeting with Jeffrey while he is here...but also wanted to check in on the possibility of candidates for him to interview...did you like them (or maybe you are still working on this)

Basically, just checking in!
