Subject: Tile from Jack / Equipment Sales

Brice,

I have been quite pleased with the communication we have had over the past two weeks.
More phone and less email which i think has been very productive.
Often when we speak I ask what else is going on...

Why are my hearing today from Jack that the tile we bought from California that cost
16,000.01 had a restocking fee of 4,768.75.
Does JEE know about this?
Did you challenge this with Jack? I am not going to pay this.

In addition, Jeffrey has always told you to keep me in the loop regarding equipment sales.
Why am i finding out today that you are in the process of selling 4 pieces of equipment.

Please advise.
