Hey Jeffery!!

How are you doing?

Sorry it took me longer to reply... I am at the office from 9am to around 7pm. I will send you a more detailed email later tonight updating you... Or can call you if you are free.

I met [REDACTED] at the office. She's a fun fun girl.. love her personality!! ;-)

Hope you're having fun on the island!

Sam – can you please call/send email Jeffrey?
Jeffrey is curious how do you like your new job?

Or go to see him when he is back in NYC.
