I was just thinking that my Magus have abandoned me, when received your email.
Would like to speak to you, but unfortunately can not skype tonight. May be you can tomorrow night!
Still did not speak to my employer cause no chance to see him, and that kills me.
Thanks to the French and English bureaucracy I can't start the course on time, on [REDACTED] give me a maximum delay of one week.
I hope you are doing great?
