[REDACTED]

Well its a FAR, FAR better thing to do I think to pursue medicine. Please tell her I wish I had! :)

I'm also sorry if perhaps [REDACTED] was to harsh or strident, she doesn't work for me except on a project by project basis so I can't control her manner. I had always thought she was good from feedback of others and working with her, but you never know.

If [REDACTED] has any 2nd thoughts, and wants to give it another try, please let me know and we can venture down a different path.

[REDACTED] is gorgeous and when I'm casting in that age range, I will certainly see her. If you need any help finding an acting coach or class in [REDACTED] for her, please let me know.

Again...I'm very sorry if [REDACTED] wasn't on the money and I'm happy to talk to [REDACTED] next week to let her know that as well.

I will call you on Monday. Please have a wonderful weekend.

Best,
Barry J

Dear Barry,

[REDACTED] went to meet with [REDACTED] yesterday and I think it was a very good session because afterwards [REDACTED] told me that she has decided that acting is probably not for her. She is more interested in medicine... :) So, for the moment, the actress-bug is gone. She is in the middle of studying for her SAT's this summer so she will focus on that for the rest of the week. I have told [REDACTED] and I'm very thankful to both of you for accommodating and helping [REDACTED]

I do, however, have a ten year old that's dying to be actress and move to Hollywood, so please keep her in mind. Her name is [REDACTED] and she loves to sing, dance, and act! See her pictures attached.

Have a great week.

Thank you so much,

[REDACTED]
