Am sitting on a panel at goodenough college here in London. Back in touch few hrs.

Stuff bad for A's girls. Got royal protection taken away. Queen said np royal list, get a job. S has a specific question for you. A is sad and frustrated. Considering abdication but he's like a zoo animal, no way esp now for him to thrive. I took my laundry to their house yesterday they were a little shocked. I hope that wasn't rude. A said yes, but S wasn't amused. I needed yoga clothes.
