Jeffrey....

First of all.... It is never simple.... Secondly, the TNC has little expertise in finance or for that matter, in running the country, so they will need help..... Finally, what you and I don't know, we can find and end up being their go-to guys and mke hundreds of millions if not billions in the process.... I am heading to St. Tropez on Wednesday and onto Italy on the 30th for ten days.... And in the meantime, if you have any ideas, please feel free to call me on my US cell or email.....

Sincerely,
Greg Brown

If you had moved when I suggested a month ago, today we would be taking partial credit for this success and helping them move much of this \$30 Billion into safer places under the TNC's control, not to mention making tens of millions of dollars in fees.... Now would you like to meet with the leadership of the TNC?

Sincerely,
Greg
