Why don't you just dial 611 on yhe phone and ask for the cell carriers help since its their device ? They do that a million times a day.

Hi Everyone,

There has been a lot of round about getting Peggy's private gmail on her blackberry. Can we make an appointment next Tuesday for someone to either come and set it up, or do we have to buy Peggy a newer blackberry?

How did we leave this? Thanks.

Best,

Marisa Frank
