Subject: Transformer Replacement

confirming

to repair existing transformer would cost \$20,336.50 plus \$4300 shipping approx

Down time would be 18 weeks, which would mean running on generators for that period.

there would be no back up, if they failed.

the existing Transformer cost 38K, the replacement which is fully stainless steel \$41,420.00,
16 week lead time

Do I have your approval to purchase new transformer
