Title: From Alexandra Wolfe

Here are some questions. Thanks again for your help! Would love to talk to him, or travel to meet with him if that would be possible.

- What is he chiefly focusing on now? Is he spending more time on The Jeffrey Epstein Science Foundation? Could he talk about his interest in science and the 2011 grants/conference?
- How has his business been affected? Is there any new direction he's taking it? Does he still have the same clients or new ones? Is it still at \$15 billion?
- Did he still work while in prison? How was that arranged? With whom was he working/advising?
- Where is he spending his time now? How has his social life changed from three years ago?
- Is he still close with Ghislaine Maxwell? Someone said she lives with him (but that doesn't sound right)?
- What were friends/colleagues/acquaintances reactions to his conviction?
- What does he think about the sentence he got- was it too lenient or too harsh and why?
- What is his side of the story and have people been supportive?
- Is he continuing the charity initiatives he started with Bill Clinton, etc?
