MARCH 16, 2012

This week, a seminal video game gets a long-awaited sequel, a photographer grants us behind-the-scenes access to a beloved artist (and notorious recluse), and the mystery behind one of filmmaking's greatest enigmas is unraveled...or is it?

Wasteland 2

by inXile entertainment

Video Games

Newport Beach, CA

Back in the game

If you grew up playing video games, chances are you're familiar with Brian Fargo's pioneering, post-apocalyptic RPG, *Wasteland*. Originally debuted in 1988, the game was one of the first to boast features like a persistent world and cause-and-effect gameplay — elements that have since become staples of the industry. Fans have always wanted a sequel, and Fargo hopes to create it in the spirit of the original: "By gamers, for gamers."

Stars — they're just like us!

Considered one of the

DAVID LYNCH DOCUMENTARY

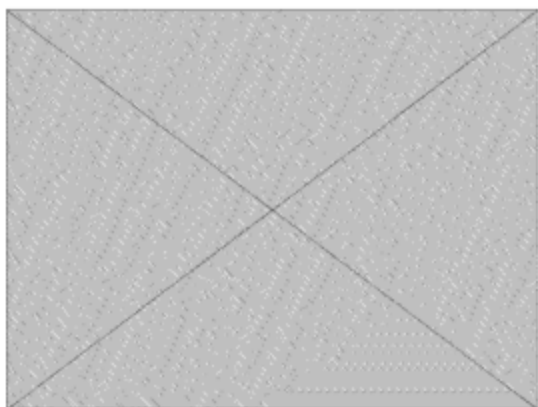

by LYNCH THREE PROJECT

. Documentary

. Hollywood, CA

most distinctive voices in modern film, David Lynch has influenced a generation of artists with a cinematic style that is surrealistic, often strange, and always unique. So what makes a famously mysterious man tick? Filmmaker Jason S. aims to tackle that question in the final segment of his series on the legendary figure. By deeply exploring what happened to this man before he was The Man, he'll reveal who Lynch is both as an artist and as a person.

DANIEL JOHNSTON: here

by Jung Kim

. Photography

. Brooklyn, NY

Story of an artist

Jung Kim first met the enigmatic musician Daniel Johnston when she was invited backstage to photograph him at a small Brooklyn show four years ago. After one snap their instantaneous connection was clear, and she hasn't stopped since. Her collection of photographs, now numbering in the thousands, provides an intimate, rare glimpse into the life of a notoriously reclusive artist — one she hopes to

share with his friends and fans
all over the world.
