Denver is slightly closer than Dallas. When I look at commercial flights from Denver to ABQ, flight time is about 1:15, whereas commercial flights from Dallas to ABQ is 1:45. (My only concern would be potential bad weather in Denver)

Some flights to Denver: all on Continental are all approx. 4:30 hours
Leave LGA at 7:50am arriving Denver 10:30am
Leave LGA at 10am arriving Denver at 12:35pm
Leave LGA at 3pm arriving Denver at 5:40pm

Some flights to Dallas: all on American Airlines approx. 4:15 hours
Leave LGA at 6:55am, arrives Dallas 10am
Leave LGA at 8:30am, arrives Dallas 11:50am
Leave Newark at 9:30am arrives Dallas 12:55pm
Leave LGA at 2:25pm arrives Dallas 5:30pm

There are even later flights for both destinations, but didn't think you would want to leave too late

you need to tell me where the closest non stop, is ,, denver , dallas
etc,, we can then charter a plan

There are several flights with different connections from NY to ABQ at all times of the day with an average travel time of 7 hours. There are connections through Denver, Chicago, Dallas.. Here are 3 choices of flights through Dallas(might be the safest connecting city in case of any bad weather elsewhere).
American leaves LGA at 8:30am with an 1hr 6min connection arriving ABQ at 1:45pm

American leaves Newark at 12:15pm with a 1hr connection arriving
ABQ at 5pm
American leaves JFK at 3:55pm with a 55 min connection arriving
ABQ at 8:45pm

Do you know what time of day you'd like to leave? Should I book any of these or
look for different options?
