hi jeffrey,

..i just saw your e-mail about adding blue to cabana no1 ceiling. sorry, i didnt check my e-mail for a few days, i didnt have internet connection..

were you thinking for cabana no 1 to put the same blue on the ceiling as it is on the walls?

.....
for the pool cabana i was thinking for the composition to use some of your pictures..from your life somehow.. and do that like an italian fresco. i was thinking it might be interesting having like a modern subject and using an old technique. anyway, its just an idea..

.....
then for that fence in palm beach i was thinking to do some big flowers...very colorful.. it might look happy.., ..and do that in expressionist style...it could look like an abstract painting..

.....
anyway, i will be in new york wednesday, sept 14, so if you have time next day we can talk about it.

thank you,
ion
