Subject: FW: 6th floor project

I wasn't sure if you wanted ion's painter for 6th floor or entire house as we discussed last week

I spoke with Anthony regarding his painter Victor and he will be away for 3 weeks however he recommended some Phillipino guys who charge \$150 per day. Sarah does not think their work is quality however I am going to have them quote job so I can negotiate lower price with Dominick and Ion.

Rich Barnett is coordinating with painters to get quotes this week.

No painting should be required.

Working on getting a schedule together, We send out an email to everyone as soon as I have hard info

Nick,

Make sure to copy me and Rich Kahn on emails you send to JE today regarding your plan of attack for 6th floor,.

Rich is working with the Painter/finishing person at 71st, do you think there will require paint or woodwork expertise on 6th floor around amps or projector?

thanks,
Larry
