Just checked with Dean –

He would really like me to meet some of his key partners/team members – all they can only do on Monday.

You and me can come ANY Time. Including Saturday – BUT this is a problem for me as it means that I would need to stay there Saturday, Sunday and Monday – which is too much!

If you could – it would be much better that we leave NYC on Sunday morning (instead of Saturday). After that you continue to Paris Sunday afternoon (or night) and I stay through Monday afternoon.

Please confirm
