1. WE have a punch list. , the priorities are five palms, and then the smoothing and flattening of the engineering area and the removal of the cement plant. I need firm completion dates and firm daily work lists. 2. dock box, dock converging, roads grading, becnh placement, grotto completeion (third side for sliding shiutters ? . 2. I met with steve,, the engienerng numbers quote was we agreed very goofy. i need to know what new out of pocket, (we have plenty of rebar laying around for ex). any project will cost. ie grader, truck etc. . five plams is the prioirty , and tom has little hands on work there, the gravel should be laid , the electric should be wired , doors installed, and mirrors installed . im not sure about the need for temp air
