Subject: B727 parking \$

Jeffrey,

flight time: I'd prefer London to New York, for non stop, the extra 30 min closer makes a difference.

Stansted / London UK - JFK 7+20min must be good weather in NY for non stop, headwind -53kts.

Paris - JFK 7+45min must be good weather for non stop,. -49kts headwind.

Boeing Parking: We have C check due in February 2013 in Jacksonville FL,. reminder,.

Option #1 **Stewart Newburg NY, \$2,500.00 per month** outside storage 3 month commitment, or \$150 per night Hanger \$9,000.00 or \$450 per night.

Option #2 **St Thomas \$1,767.00 per month** or \$58.90 per day. (salt air concerns for long period of time).

Option #3 **JFK \$175.00 per 8 hours period, \$525.00 per day**, Monthly \$15,750.00

thank you,
Larry
